

Dog Park Rules

Annual Dog Park Clean-up!

Join other dog park users in the annual spring Dog Park Clean-up Day. It is scheduled for the last Saturday in March, 8 a.m. to noon, rain or shine. Bring materials to pick up dog waste and other trash.

Dog Park Etiquette

As dog parks increase in popularity, it's important to remember that dog owners share responsibility in assuring that the experience will be enjoyable for everyone. Here are a few recommendations:

- Limit food brought into a dog park as it may attract other dogs.
- Throwing balls or other dog toys may lead to possession aggression.
- Make sure your dog is healthy. It is possible for your dog to pass on an infection or parasite to other dogs. Sharing water also leads to disease transmission.
- Children should be supervised when in the dog park.
- A dog park is not the place to work on behavioral problems with your dog.
- Do not bring more dogs than you can effectively restrain. It is recommended that you bring no more than 3 dogs at one time.
- You are responsible for all actions of your dog. You must remain in the dog area with your dog at all times.
- Do not allow your dog to be in contact with wild animals.
- It is not acceptable to dump pet waste from off-site at the dog park.
